

FEMALE PELVIC FLOOR IMAGING

An intensive theoretical and practical workshop using
3D/4D ultrasound volume analyzing software
12-13 May 2018, Cairo University, Egypt

The course is
approved by the
International
Society of
Ultrasound in
Obstetrics and
Gynecology (ISUOG)

Dr. Aly Youssef
Consultant of Obstetrics
and Gynecology,
Bologna University, Italy

Prof. Rasha Kamel
Prof. of Obstetrics and
Gynecology, Cairo
University, Egypt

Prof. Mona Aboulghar
Prof. of Obstetrics and
Gynecology, Cairo
University, Egypt

Prof. Sahar Saleem
Prof. of Radiology,
Cairo University,
Egypt

Prof. Hazem Ashmawy
Prof. of of Obstetrics and
Gynecology,
Cairo University, Egypt

**Prof. abdrabou
Mashhour**
Prof. of colorectal surgery,
Cairo University, Egypt

Dr. Rami Salah
Lecturer of colorectal
surgery, Cairo
University, Egypt

**FREE ISUOG
core
membership
included**

Dr. Mohamed Raslan
Lecturer of colorectal
surgery, Cairo University,
Egypt

Dr. Islam Badr
Fellow of Obstetrics
and Gynecology, Cairo
University, Egypt
