

First Trimester Fetal Malformation, "high-resolution ultrasound greets high-resolution genetics"

ISUOG Education Courses 2022

Live stream

Thank you for registering to attend the ISUOG Education Course on First Trimester Fetal Malformation. The course will take place online and we have prepared the joining instructions below to assist your participation in the event remotely.

Date: Sunday 27th February 2022

Time: 08:00 – 16:45 GMT (UTC +1)

Format: Livestream

Program: You can access the course program via our [website](#)

Login: To access the course [click here](#) and use the details provided to you in your joining instructions email to access the platform. You should have received your login details for the live streaming website directly via email. Please get in contact with us if you have not received these by Wednesday 23rd February 2022.

Technical considerations

- We recommend you [use Chrome or Firefox](#), not Internet Explorer. Internet Explorer is not supported.
- Connect your device to the internet via a Broadband or other high speed connection and depending on the device you are using we recommend you use headphones or speakers for optimum audio.
- [Login 10 minutes before the course starts](#) to test your connection; if you can stream any video on your internet connection and if it plays smoothly then so will the course livestream.
- If you are already logged in but experiencing problems viewing the webinar, refresh your browser and press play again.

Timing and interaction

The program will broadcast on GMT. You can use the [Time Zone Converter](#) to check your local time. During the live session share your questions via the chat box on the livestream page – these will be discussed during the Q&A sessions. Unfortunately, we cannot respond to queries submitted to the live streaming website outside of course hours.

CME

Up to six (7) European Accreditation Council for Continuing Medical Education (EACCME) points are available for this course. Only livestream delegates can obtain CME points provided they **watch the content of the course live**.

Certificates of attendance

Delegates who have [logged in to the event and watched the livestream](#) will be sent a link to complete an online Evaluation Form at the end of the course, which must be completed to receive the Certificate of Attendance. On completion, you will be directed to our website to download your certificate.

Lecture recordings

Course recordings are available on demand for registered delegates until **27 March 2022** on the live streaming [website](#). After this date, a selection of lectures may be made available on the [ISUOG Academy](#), this is at the discretion of, and on a timeline determined by, ISUOG's Education Committee.

Supplement your learning

Our education team has prepared a selection of ISUOG's online learning and research content to enhance the educational course. Please visit our [website](#) to access these materials.
