ISUOG Course: Highlighting the practical aspects of ISUOG Basic Training: simulation with OPUS

Date: Saturday 17th and Sunday 18th July 2021

Time: 09:00 – 17:00 BST (UTC +1)

Format: Livestream, online

Logging in:

Logging instructions will be sent to the registered delegates a week prior to the event.

Program: You can access the course program via our [website](#)

Technical considerations

- We recommend you use Chrome or Firefox, not Internet Explorer. Internet Explorer is not supported.
- Connect your device to the internet via a Broadband or other high speed connection and depending on the device you are using we recommend you use headphones or speakers for optimum audio.
- Login 10 minutes before the course starts to test your connection; if you can stream any video on your internet connection and if it plays smoothly then so will the course livestream.
- If you are already logged in but experiencing problems viewing the webinar, refresh your browser and press play again.

Timing and interaction

The program will broadcast on BST (British Summer Time). You can use the [Time Zone Converter](#) to check your local time. During the live session share your questions via the chat box on the livestream page – these will be discussed during the Q&A sessions. Unfortunately, we cannot respond to queries submitted to the live streaming website outside of course hours.

Certificates of attendance

Delegates who have logged in to the event and watched the livestream will be sent a link to complete an online evaluation form at the end of the event, which must be completed to receive a certificate of attendance. On completion you will be directed to our website to download your certificate. Please, note the evaluation form will close on Sunday 1st August.

Lecture recordings

The course will be recorded. Recordings are available on demand for registered delegates until Wednesday 18th August 2021 on the live streaming website.

Supplement your learning
