Auditorium 1	Auditorium 2	Auditorium 3
7:00–7:45 BST Social event (in the Cybercafé)		
BREAK		
Burnout and wellbeing: being a doctor can be bad for your health T. Bourne (UK)		
BREAK		
Workshop: How to deliver the best of ultrasound in the delivery room	Workshop: First trimester anomalies: challenging cases	Workshop: Preserving fertility in women diagnosed with a gynecological pathology
BREAK		
OC: Ultrasound on the labour ward	OC: Fetal disease in the first trimester	OC: Using ultrasound in reproductive medicine
BREAK		
Masterclass: How to use ultrasound in the labour ward	Masterclass: First trimester screening and beyond	Masterclass: Live session: Using ultrasound to evaluate women with pelvic pain and possible endometriosis
LUNCH AND SPONSOR SYMPOSIUM		
Racial and ethnic disparities in maternal morbidity and mortality: where do we go from here? L. Riley (USA)		
BREAK		
Workshop: Prediction of the great obstetric syndromes	Workshop: How do we manage anomalies of the corpus callosum	Workshop: Evaluating the myometrium
BREAK		
OC: Prediction and prevention of pregnancy complications	OC: Deep dive into the fetal brain	OC: Using ultrasound to evaluate women with pelvic pain and possible endometriosis
BREAK		
Masterclass: Ultrasound in improving perinatal outcomes	Masterclass: Expert tips to common problems: how to approach brain anomalies	Masterclass: Endometrial and myometrial pathology
BREAK		
Closing Plenary Is it possible to make a diagnosis of less common ovarian tumours on ultrasound? – A. Testa (Italy) The impact of the microbiome on pregnancy: from miscarriage to prematurity – P. Bennett (UK)		

Hub 1	Hub 2
Wellbeing session	Wellbeing session
BREAK	
BREAK	
08:40–09:20 Debate: Is pre-eclampsia a placental disease?	08:40–09:20 In conversation with Hans Peter Dietz: diagnosis of maternal birth trauma by translabial tomographic imaging – levator avulsion and OASI
BREAK	
10:20–11:20 Translational research for clinicians	10:20–11:00 What can fetal movements tell us?
BREAK	
	11:30–12:10 Obstetrics poster discussion: The role of ultrasound in the labor ward, genetics and new technology
LUNCH AND SPONSOR SYMPOSIUM	
BREAK	
14:10–14:50 Ultrasound in fertility preservation and restoration	14:10–14:50 Obstetrics poster discussion: Infection, multiple and invasive therapy
BREAK	
15:50–16:30 In conversation with Ilan Timor-Tritsch: my bumpy road with the transvaginal ultrasound probe in the USA	15:50–16:50 Principles of Research organised by the ISUOG Next Generation group
BREAK	
BREAK	
End of day session organised by the ISUOG Next Generation group: Obstetrics	End of day session organised by the ISUOG Next Generation group: Gynecology
BREAK	

Exhibition, networking, poster abstract presentations
