

Join the WFUMB Medical Student Network Group

Join the Conversation!

The World Federation for Ultrasound in Medicine and Biology (www.wfumb.org) has created a special Group for Medical Students where they can learn and share with other medical students and educators worldwide with a special interest in ultrasound. We would like to invite you to join the WFUMB Medical Student Network Group where you can share your experiences via discussions, videos, images and posts using the trusted platform of LinkedIn.

In joining the WFUMB Medical Student Network you can help us in building a community where you can encourage others to join and share knowledge to achieve goals.
