ISUOG Education Courses 2023

Live stream

Thank you for registering to attend the ISUOG Education Course on Pelvic floor and labour ward. The course will take place online and we have prepared the joining instructions below to assist your participation in the event remotely.

**ISUOG Education Course:** Pelvic floor and labour ward ultrasound

**Date:** Sunday, January 29 2023

**Time:** 08:00 – 16.30 BST (UTC +1)

**Format:** Livestream

**Login:** To access the course [click here](#) and use the details provided to you in your joining instructions email to access the platform. You should have received your log-in details for the live streaming website directly via email. Please get in contact with us if you have not received these by Wednesday 25<sup>th</sup> January 2023.

**Program:** You can access the course program via our [website](#)

### Technical considerations

- We recommend you use Chrome or Firefox, not Internet Explorer. Internet Explorer is not supported.
- Connect your device to the internet via a Broadband or other high speed connection and depending on the device you are using we recommend you use headphones or speakers for optimum audio.
- Login 10 minutes before the course starts to test your connection; if you can stream any video on your internet connection and if it plays smoothly then so will the course livestream.
- If you are already logged in but experiencing problems viewing the webinar, refresh your browser and press play again.

### Timing and interaction

The program will broadcast on GMT (Greenwich Mean Time). You can use the [Time Zone Converter](#) to check your local time. During the live session share your questions via the chat box on the livestream page – these will be discussed during the Q&A sessions. Unfortunately, we cannot respond to queries submitted to the live streaming website outside of course hours.

### CME

Up to seven (7) European Accreditation Council for Continuing Medical Education (EACCME) points are available for this course. Only livestream delegates can obtain CME points provided they watch the content of the course live.

### Lecture recordings

The course will be recorded. Recordings are available on demand for registered delegates until **27 February 2023** on the live streaming [website](#). After this date, a selection of lectures may be made available on the [ISUOG Academy](#), this is at the discretion of, and on a timeline determined by, ISUOG's Education Committee.

### Supplement your learning

Our education team has prepared a selection of ISUOG's online learning and research content to enhance the educational course. Please visit our [website](#) to access these materials.
