

How to sign in to your ISUOG account

To sign in to your online account, please follow the simple guide below:

Please note the screenshots in our guides show how our website will look on your PC or laptop. It will look different if you are using a mobile but the steps involved are all exactly the same.

1 Visit the isuog website and select 'LOGIN' from the menu.

2 Enter your email address and password (that you created when you first signed up) and choose the 'LOGIN' button.

EMAIL ADDRESS / MEMBERSHIP NUMBER

 RESET PASSWORD

Forgotten your password?

Simply enter your primary email address and we will send you a link to reset your password as soon as possible. If you are having problems, please contact info@isuog.org

3

Instructions will be sent to your email account with a website link to reset your password. The email will look like the image below.

4

Click the link in the email to open up a new webpage. When requested, enter your new password exactly the same in both boxes and select 'UPDATE'
